## Approved Horse Stables for Girl Scouts of Western New York Rochester / Batavia Service Center

All of these Ranches have been approved by GSWNY for troops to use. We maintain copies of their liability insurance on file at the council. Many of these farms have adaptive riding programs for girls working on the Horse Sense interest project you could earn your Service Project portion at these stables. It is a wonderful experience for all girls to participate in even if you are not working on a badge.

This farm is very close to Oak Orchard. They have worked with the scouts for many years. In addition to her regular horses she has several ponies and has a great deal of experience with very young riders. This would be a good site for troops with younger girls who want a taste of what horseback riding is all about.
