Your notice of the Delegates Special Meeting was sent to you last week. Please plan to participate on May 13 @ 6:30PM. If you are not able to attend, please have your alternate attend in your absence. Provide them with the merger documents and inform them of the purpose of this meeting that they may come prepared to vote on the merger.

**Please RSVP by Wednesday May 7<sup>th</sup>** using this [LINK](#) or the link on the Delegates page of the GSGV website. Thank You!

## Your Voices Will Be Heard

The Council Realignment Committee has recommended that the new board for Girl Scouts of Western New York have an interim body that will interact with board. This interim body will be comprised of the existing delegates from each of the legacy councils. This interim body will be known as the Communication Liaison Group and as it has not been elected, it will have no power of vote. It will remain in place until delegate elections for Girl Scouts of Western New York take place.
