Be Part of History!

The Special Meeting of Delegates is tomorrow night, May 13 – 6:30PM at the Annabelle Piper Program Center 1020 John Street. Our special guests, Cindy Odom and Mary Worboys-Turner, are first on the agenda to deliver their vision for Girl Scouts of Western New York. This presentation will be followed by a Question and Answer period. The agenda continues with a call to meeting during which you will be casting your vote on the Plan and Agreement to Merge.

It's an event you won't want to miss!

The council is currently conducting end of year leader surveys on-line at the www.gsgv.org website on the Volunteers Resource page. Please encourage the troop leaders in your units to participate; their input is important to the council.
