Vol. 1, Iss. 16

Dear Delegates,

Girl Scouts of the USA has recently published *Toward the New Girl Scout Leadership Experience, Transition Planning, 2007-2010*. This provides an excellent overview of the exciting program improvements that our girls will enjoy.

Although the transitions document is very good, it may still leave you with unanswered questions. If so, please go to the Delegate page on our website (under the Volunteer Resources tab), and share your question with us. Questions that cannot be answered locally will be sent to Girl Scouts of the USA program staff.

On November 12th, program staff from GSUSA will visit Girl Scouts of Genesee Valley to hold an open Q&A forum. They will also lead the realignment conversation segment of the annual meeting. Both meetings are open to all volunteers, and we welcome you to attend and bring other volunteers.

The transitions document is also posted on our council website, and we ask you to encourage Girl Scout volunteers in your service unit to both review the transitions document, and attend the November 12th open forum and annual meeting. The forum and meeting Q&A segments will be available on our website after November 12th.

The Q&A forum will be held from 6:00 to 6:50 PM at the Program Center, 1020 John Street, West Henrietta. The annual meeting will begin at 7:00 PM. Please click on the link below to RSVP your attendance.
